

## Magazine Creation Award Ceremony 2025

Faculty of Management and Social Sciences

FMSS did many experiments about teaching English effectively, as it is one of the most critical subjects in a Management Degree

8 years ago, the Faculty made some structural changes towards making a psychological paradigm shift of students' perception about learning English.

Magazine Creation Awards 2025 is the climax of the strategic approach that FMSS made to attract students for the English module.

502 students participated in the First competition and this exercise will continue with further improvements to benefit all students in the Faculty.
